## Park board given tax increase

### Places recreation project on sound financial basis

Taxpayers of Arlington Heights Park District placed the affairs of the district on a relatively sound financial basis by their approval Tuesday of an increase in tax rate by a vote of four to one.

The voting on the propositions were 100 to 27 and 98 to 26, respectively.

Two propositions were placed on the ballot. No. 1 provided for a tax of one mill for recreational purposes. Proposition No. 2 increased the corporate rate a half mill.

The one mill tax is expected to partly make up the deficiency that results every year by the operation of the swimming pool. The corporate tax has been scarcely sufficient to meet maintenance costs of the many parks that are under the control of the park districts. The park board will still have to work on a close budget, but their worries of big deficiency every year is at an end.

As the increased taxes will not be received until 1943, there will be some financial difficulties next summer.

A \$30,000 refunding bond issue has been completed on an issue which originally did not provide for a sinking fund. Under the new issue such a fund will be built up.

### Skokie game warden gets illegal hunter 'with the goods'

For a long time the conservation department has been getting reports of a hunter being seen climbing into his car with pheasants both in and out of season around Palatine, Barrington and the Fox Lake area. Only description of the man was a description of his car.

After months of search the guilty man was caught after a thirty-six hour vigil kept by Skokie game warden Frank Chitty. Chitty watched the house of Harold Busse, a week ago last week-end, until Busse pulled up in his car and stepped out with pheasant in hand. Busse's gun was equipped with a silencer which had enabled him to evade detection long before. That same silencer pointed to his guilt, according to the ruling handed down in a Lake county court. \$100 fine was assessed.

### Carpet and rug exhibition at Studtmann Bros.

Studtmann Bros. 7 north Vail street, Arlington Heights has arranged for a showing of rugs and carpets at their store Saturday evening, between five and nine o'clock. Several hundred samples will be there and an experienced factory man to answer questions and explain the modern trend in carpetings.

## Mr. and Mrs. Henry Firnbach celebrate 55th anniversary

### Employed 62 years at Arlington Seating

Mr. and Mrs. Henry Firnbach of 122 S. Evergreen avenue, Arlington Heights, celebrated their 55th wedding anniversary Sunday. They were married at Buffalo Grove October 19, 1886. Mrs. Firnbach was born at Antikisic on March 15, 1864, and attended St. Mary's Parish at Buffalo Grove. Mr. Firnbach was born in Arlington Heights April 14, 1865, and also attended the same parish. Although Mr. Firnbach doesn't remember the incident, of course, April 14 was the day Abraham Lincoln was assassinated.

Mr. and Mrs. Firnbach provided for seven children, John, Mrs. Albert Goedke, Mrs. Ross Davis (deceased), Henry Jr., Renader, George, and Mrs. Michael Saar.

### Time changes Sunday morning

Just when we began to get used to staying up an hour later to hear our favorite radio programs since New York's time changed and Chicago's didn't, now we'll have to get used to the old schedule once more. Daylight Saving time will go elsewhere for the winter starting next Sunday morning, but not without a parting gift of an extra hour of sleep Saturday night. Turn back the clock one hour before retiring Saturday evening and you'll get to church the same time your neighbor does, that is if he has remembered to do the same thing.

## Money flows, but board wishes it was water

### Record-breaking payroll; well test this week

Arlington Heights village board passed a lot of bills Monday night, \$14,000 worth, but over \$10,000 of those bills were for other than corporate funds. Included in the total were nearly \$7,000 for the street lighting project which is paid from state gas tax funds. Consoer, Townsend & Quinlan will receive \$1,600 for services in three of such projects. Mileage Well Drilling Co. was paid \$2,000 on its contract. Otherwise all was well at the board meeting Monday night when there was only minor business before the village law makers.

Police department reported a number of collections that have been hanging fire for some time. Ten local business firms have paid their 1941 licenses, as have also the owners of a number of dogs. Seven "holdouts" purchased their 1941 vehicle tags the past week and 39 motorists "kicked in" \$144 in fines.

Among the remittances were \$10 on account paid by the mother of the soldier boy who had partially wrecked the new police car.

The roof of the village hall will be repaired so as to keep out fall and winter rains. The cost will be about \$250. Mr. Brown, 504 E. Euclid asked the board to permit the use of galvanized pipe in a water service in place of the usual lead pipe. The board is opposed to breaking existing code governing such installations.

House owner on north State st. has paid the zoning fee over which he has objected for a long time.

As the board adjourned, the police were ordered to call each tavern on the phone instructing it to stay closed the following day on account of the park election.

## Homecoming next week; Libertyville foe

In spite of the more or less disastrous results of this year's football season after a good beginning the school is looking forward to Homecoming a week from Saturday. The football game and the accompanying festivities are usually the highlights of the fall season at Arlington.

This year's football foe is Libertyville again. Like Arlington, they are also in the doldrums so far as winning is concerned. So it should be a setup for a good game with which to close the season for both schools.

This year's dance on Saturday night is to be held in the spacious gym in order to accommodate the crowd which is expected to attend. Earl Fredericks orchestra, probably the most popular band in the northwest suburbs, will furnish the music. Earl has been absent from Arlington school parties for quite some time and will be welcomed back in a sort of a homecoming for him and the local boys in his band who got their start at Arlington.

Several of Arlington's graduates are faring exceedingly well at college in their chosen sports. Besides Bob O'Hagan at Marquette, Bill Beckman, who was a graduate of two years back, is now a freshman at Nebraska University. He is playing at guard on their first Frosh eleven on what is the best Frosh squad at Nebraska since "Bitt" Jones has been there, according to Jones.

Roy Niemeyer is one of the outstanding Frosh cross country men at Michigan State as is John Maseng at Illinois. Roy won the first Frosh match of the season last Saturday at Michigan State. Maseng has been doing so well that he has been working out with the varsity squad although but a Frosh.

### Soldiers on leave get hearty welcome by Mothers' club

Lonely days and nights at camp were soon forgotten by the boys in service home on leave when they were entertained by the 33rd Division Mothers club at Simson's restaurant north of Arlington Heights, Tuesday evening. Over 175 soldiers and guests attended. The Mothers club and many interesting friends gathered to honor the twenty-five boys who attended. Mr. Simson graciously assumed the expense of the service.

Among the distinguished guests, were Mayor and Mrs. Albert Goedke, Mr. and Mrs. Les Griffith, Commander and Mrs. C. L. Stadler, Mr. and Mrs. D. R. Rippey (Mr. Rippey is chairman of Draft Board No. 1), Mr. and Mrs. Frank Smith (Mr. Smith is clerk for the draft board), Mr. and Mrs. Robt. Updegraff, Mr. and Mrs. Paul Carroll. The latter two are also members of the draft board. Mr. Rippey acted as toastmaster. Mrs. Jewell Organ Coleman, State president of the 33rd Division Mother's club was present.

Mrs. Dearie, president of the 33rd Division Mother's club, was in charge of the party, and Simson's was decorated for the affair in autumn colors. Dancing and refreshments were enjoyed by the boys and their friends. Door prizes were donated by the local merchants. They were Arrow Service station, Morgan's May store, Wilke Jewelry, Landmeier Hardware, Watson Beauty Shop, Coronet Beauty shop, Mors Bakery, and Eleanor Bake shop.

Mrs. Dearie wishes to thank her committee for their assistance in preparing the party.

### The Baldwins make good a year-old promise

Mr. and Mrs. Orville Baldwin made good last week-end a promise that they had given to their children, Lloyd and Jean a year ago. Last fall, the Baldwins traveling with their youngest child, "discovered" the scenic beauty that awaits autoists who find their way to the Mississippi palisades north from Savannah. Returning home they promised their other two children a similar trip.

Saturday morning the four started out on a replica of the earlier trip. The children found that dad and mother had not said half enough. Among the other places visited were Dickeyville and Eagle Cave. They covered 500 miles and a lot of scenery during the two days.

### Red Cross nutrition, nursing classes need enrollment of 20

Several people in the village have inquired about the forming of Red Cross Nutrition and Home Nursing classes, and notice has been received from headquarters that if a group of twenty or twenty-five is formed, an official Red Cross class will be established. Those desiring to join such a class are asked to call Mrs. George Schneberger, Tel. 432-J, as soon as possible.

### Wrong numbers mean stiff fines for Scarsdallians

"Wrong house numbers" in Scarsdale will be liable for prosecution starting this week as the sixty days grace allowed by ordinance expired Wednesday.

In an ordinance published August 22, all residents in Scarsdale subdivision were advised to correct their house numbers to conform to a plat prepared by M. W. Grigsby. A copy of the plat is on file at the village hall and another posted at Wits service station, State and Park sts.

A fine of \$5 to \$200 for every thirty days of neglect or refusal on the part of the owner of any building in the subdivision is provided in the ordinance. Sixty days were allowed to comply with the ordinance.

"Residents should notify the telephone company, the insurance companies, public service companies, etc., in case their house numbers are incorrect, giving the former number and the new number. Care should be taken to see that street names are spelled correctly in accordance with the plat," said Mr. Grigsby.

## Race track water checks shortage in Arlington

### Shut down north well; test new one at 1550 ft. depth

The water main connection with the well at Arlington Park is again being used by the village of Arlington Heights, which must depend upon that supply until the new well is in operation. The north side well has been giving a lot of trouble. Local officials can only guess at what has happened to the original water supply of that well, which has shrunk one half.

While the water from that well is safe to drink, its riley condition has been disturbing many households. It has been shut off, due to the condition of the water and the per gallon cost of pumping. Water from race track has been used at different periods the past four months. There have been delivered in the village mains from that well between June 26 and Oct. 6 a total of 3,709,300 gallons of water.

Machinery is being put in place to test the new well at a depth of 1,550 feet. Drilling has proceeded through two stratas of water sand, of 40 feet and 60 feet respectively. The water has not risen in the well to any appreciable height, but the village board members will be satisfied if the test proves that there is an ample supply of water available. The well driller expects the supply will be between 500 and 600 gallons a minute.

### Mayor appoints public health committee

Arlington Heights now has an official revised public health committee. Until now those working in that organization were not certain as to their status. With their official appointment Mayor Goedke believes that the committee members will attend meetings more regularly and be prepared to take a more active part in health matters.

To the members of that committee can be credited much of the health morale of Arlington Heights people. It has also assisted in finances, and has been a great aid to the community nurse.

Among the new members appointed on the committee are Mrs. Chas. Kent, 611 N. Douglas, Mrs. Arthur Blaschke, 746 S. Mitchell, Mrs. Adele Pino, former community nurse, who is remaining in Arlington Heights. In making the appointments, Mayor Goedke stated that the life of the present appointments would extend until the end of his administration May 1, 1945. The full committee is:

Mrs. Paul Carroll, 116 W. Euclid ave., chairman.  
Mrs. Chas. Kent, 611 N. Douglas.  
Mrs. Maude K. Parker, 915 N. State rd.

Mrs. John Allen, 635 N. Highland ave.  
Miss Irene Russell, 533 S. Vail ave.

Mrs. G. Rex Volz, 836 N. Belmont ave.  
Mr. W. F. Vanderbeek, 407 N. Evergreen ave.

Mr. K. L. Busse, 1016 N. Highland ave., treasurer.  
Mr. Raymond Hayes, 403 N. Haddon ave.

Mrs. V. A. Sturm, 433 Banbury rd.  
Mrs. Marcia Ruth Schulenburg, 402 N. Vail ave.

Mrs. Chas. Fitzpatrick, 738 N. State rd.  
Mrs. Chas. Klehm, Railroad ave.  
Mrs. Adele Pino, 43 W. Wing st.

Mrs. Lester T. McAuliffe, 524 Banbury rd.  
Mr. Forrest F. Davis, 827 N. Chestnut ave., secretary.  
Mrs. Clara Lund, Health Center, nurse.

Mrs. Arthur Blaschke, 746 S. Mitchell.

## Traffic school in first session; Sengstock talks

### Opens at Lions program; patrol boys are guests

"You cannot stop traffic accidents overnight," Judge Sengstock told Lions and guests at the first traffic safety school in Arlington Heights. "But you can gradually hold them in check by coordination of 'three E's'—engineering, education, and enforcement," said the judge, who has held court at the Cook county police station, district 1, for the past eight years.

Inauguration of Judge Neumann's traffic safety school was held in conjunction with the Lions club regular program Tuesday evening at the St. Peter's school auditorium. Fifty patrol boys of the local schools were entertained by the Lions at dinner and a special program prepared by Judges Behrens and Neumann and Officer Elmer Karstens.

Sengstock strongly recommended a Safety Council, consisting of interested citizens representing local organizations. The purpose of the council would be to help in safeguarding the community from accidents and aid in accident prevention education.

The judge related how the safety council checked traffic accidents in his community, Des Plaines. He pointed out the large proportion of citizens that would eventually become victims of automobiles or permanently maimed and gave concrete examples. In a genial manner he addressed the patrol boys and lauded them for their work at the crossroads. Their experience, he said, would serve them in good stead when they became adults and drivers, affording them much better training and protection than the adult drivers of today.

Chicago motor club talks were shown depicting some of the major causes of present traffic accidents and advised drivers the dangers to be avoided. A movie on the safe use of bicycles was also shown.

The next traffic school will be held November 4, according to Judge Neumann. Another good program will be provided. All violators of traffic laws will be required to attend and it is hoped that the general public will also show their interest by being present. "There is so little that all of us know about driving," stated Neumann.

### Attend homecoming of school for the deaf

The home coming of Jacksonville school for the Deaf was held last week-end, Arthur Kelling, Jr., Arlington Heights, and Donald Neitzke of Mt. Prospect, who are attending the school were visited by a number of relatives and friends, who enjoyed their visit and the football game between Illinois and Indiana, the home team winning. Those in attendance from here were: Mr. and Mrs. Geo. Neitzke, son Marvin, Floyd Bauman, of Mt. Prospect; Ernest Tonne, Jr. and Mrs. Arthur Kelling, Arlington Heights; Mrs. Kelling's sister and daughter of Barrington.

### Arlington harriers defeat Leyden, lose to Riverside

Arlington's cross country team is continuing quite well. In the past ten days they have won from Leyden 23-33 and dropped a match to the strong Riverside quintet 39-20. Against Riverside they finished 2, 6, 8, 9, and 14 and against Leyden 1, 2, 4, 5, and 10.

The same five boys continue to show the way to the rest of the Arlington harriers, Clarence Niemeyer so far has led his squad home followed by W. Rohlwing, then Elmer Rohlwing, Bob Bittner and either Ken Busse, Bob McArdle, Gene Saar, Alex Magnus or Bill Neubauer.

Arlington fares quite well in their own league having lost only to schools outside the Northeast conference. This week, on Friday they are stepping out into real class when they are entered in the big suburban meet sponsored by Provisto of Maywood. Ten or twelve schools are entered and a big field of about 80 to 100 boys are likely to start.

### Twins, and boys welcome surprise to Scharringhausens

Mr. and Mrs. Arnold Scharringhausen, Arlington Heights, are parents of twin boys, born early Saturday morning at the Norwegian American hospital. Their weight was 7 lbs., 8 oz., and 6 lbs. 4 ounces. Arnold is happy there are twins, happy that both are boys and happy over their size.

### LIGHTNING HITS HOUSE SECOND TIME IN YEAR

Lightning struck the home of Gilbert Stutz, 124 S. Walnut st., Arlington Heights Wednesday night, demolishing the chimney and tearing a hole in the roof. The local fire department promptly appeared and helped the family restore order. Several months ago lightning struck the same chimney causing like damage.

### Next community forum Nov. 27

Northwest Community Forum has secured Paul Douglas, of Chicago University as one of the speakers at the next public forum, which will be held in Arlington Heights high school Thursday evening, November 27. Mr. Douglas is a Chicago alderman and a strong supporter of President Roosevelt's foreign policy. He is now engaged on a speaking tour through the southern part of the state.

The forum is awaiting acceptance of a prominent isolationist to be the second speaker. Early announcement of the next forum is made so that the general public can adjust other engagements and be able to attend this meeting.

Radio forums and town meetings in large cities throughout the country are heard by many thousands. Arlington Heights is fortunate to have a forum of its own with qualified speakers. Announcement of the other speaker and the moderator will appear in next week's issue of this paper.

## Church building fund drive tops \$10,000

The Building Fund Forward Movement Campaign recently held at the First Presbyterian church went over the top in its goal to raise \$10,000. Officers and members of the church report that they are very much pleased with the results.

This campaign was directed by Mr. William C. Montagnani, who was loaned to the local church, without cost, by the Board of National Missions of the Presbyterian denomination. During the following several weeks he will conduct similar campaigns in other Presbyterian churches in the Chicago area.

The recent campaign was an endeavor to raise \$10,000 on the building indebtedness of the church, and members and friends of the church are happy that the undertaking succeeded. Ten percent of the bonds were paid off this week. The interest on the indebtedness has been paid up to date.

At the final meeting of the workers on last Friday night much enthusiasm was manifested. The workers reported that they had been received cordially by the people they had visited, that they had had interesting experiences, and that they had greatly enjoyed the whole effort. At the morning worship last Sunday a victory service was held in praise to God for the success of the campaign.

The pastor and officers of the church wish to express their appreciation and gratitude to many people who have contributed and helped in this enterprise. If there are those who have not had a chance to contribute toward the building fund, and desire to do so, the officers of the church will be glad to welcome them.

## Noble Puffer talks to P-TA on home, school

Noble Puffer, Superintendent of Schools of Cook county, talked to the Parent-Teacher Association on Tuesday night on "Home and School" in relation to the year's theme "Home—Democracy's First Line of Defense."

In well chosen words, with appropriate stories in illustration of his points, Mr. Puffer spoke of the increasing responsibilities of the schools in the training of our young people.

He outlined the aims and ideals toward which our schools are working, and made these definite points: lay foundation in fundamentals; teach boys and girls to live and work together; cultivate high ideals; develop spirit of fair play; teach boys and girls to think; promote the dignity of labor; provide vocational guidance and vocational opportunities.

Mr. Puffer added that boys and girls so trained and educated by teachers not only qualified and well trained themselves, but having a sympathetic understanding of their problems, will develop into intelligent and capable citizens, competent to realize and fully appreciate the blessings of democracy.

According to Mr. Puffer, such citizenry, endowed with courage, love of country, devotion to ideals, makes for a people of high morale. No nation is stronger than the morale of its people.

### Anti-war lobby meet at Elk Grove

An anti-war lobby meeting will be held at the Elk Grove school, Higgins road at Touhy avenue and Elmhurst road, on Friday evening, October 24th, at 8:30 o'clock.

Mrs. R. A. McAvoy, of Iowa and California will discuss questions of vital importance at the present time to all real Americans. Come and learn how to help keep this great country of ours out of another disastrous foreign war.

## Mt. Prospect Has Big "White-way"

### State starts safety drive against trucks

#### Oct. 31 will be new dead line; 100 are arrested in Skokie

With the dissolving of a temporary injunction secured against the state by 600 truck owners, the state police are waging a big drive against owners of trucks that do not display the May 1 safety sticker.

It will be time for a new sticker October 31 and Walter A. Rosenfield, department of public works and buildings is reminding operators of trucks in Illinois that they must have a blue safety sticker on their windshields by October 31.

"Compliance now will save the truck operators considerable time and will avoid overburdening the testing stations," Mr. Rosenfield said. "Unless truck operators can get three years to get the O. K. on the lighting project, but the railroad gates and pavement widening are coming quicker."

Due to the fact that practically all streets in the town are paved and need few repairs, the gas tax money belonging to the village has been accumulating. The village board realized that it was much better to spend the money for modern improvements than to allow it to grow whiskers in the state treasury.

Arlington Heights secured its new traffic lights by a similar method. Until recently the state highway department has been rather slow in releasing gas tax funds for lighting purposes.

Every Illinois truck must have the name and address of the owner painted on both sides, and the empty weight must be painted on the right hand side of the vehicle. All trucks must have a certificate of insurance on file with the division of motor carriers in compliance with section 16 of the act, which refers to public liability and property damage insurance.

Elroy Winkelman, who operates a truck testing station in Arlington Heights reports that he has been kept very busy testing trucks whose owners realize that a new sticker must be secured before Nov. 1st. "We do not attempt to sell a truck owner anything he does not need," says Winkelman. "Our first purpose is to see that the truck meets the state requirements. Our second is to have the truck owner pay as little for repairs as possible. The increasing number of truck owners who drive long ways to have their trucks tested by us shows the wisdom of such a policy."

Truckers arrested in the vicinity of Arlington Heights and Palatine usually pay fines of \$2 and \$2. Higher amounts are assessed in other places.

## Farm Management Ass'n to boost farm incomes

### Field man plan to be explained at meeting Oct. 27

How the average farmer in Central Illinois has increased his net earnings \$1000 to \$2000 through the Farm Bureau-Farm Management Service will be the subject of a short talk by E. M. Hughes of the Department of Economics, University of Illinois, at the Farm Bureau office at Arlington Heights Tuesday evening, October 27, at 8 p. m.

It seems almost incredible that by re-organizing the cropping system of the farm business and studying the various cost expenses on a farm this can be done. However, in many cases it has been clearly demonstrated it is not only a possibility but a fact that is so re-organized held their high earning position. Such a service is being organized in Northeast Illinois similar to the service they have been running for a number of years in Central Illinois.

This work started out in Woodford county sometime ago and has proven so popular that it has spread from county to county. Through the insistence of a number in this territory the service will be introduced into the northeast part of the state beginning January 1st. 200 farmers will form an association and employ a field man. The costs are relatively unimportant as they range from \$25 to \$35 per year. Farmers who are interested in a re-organization of their farm through this service are invited to come in and meet with Mr. Hughes and determine if they think it would be to their advantage to enter this service.

Mt. Prospect's great white-way became a reality Tuesday evening when the juice was turned on for 26 large ornamental street lights that transform the northwest highway thru the business section into daylight with lights of 600 candle power. The lights are at the top of cement poles 20 feet in the air and spaced 60 feet apart on opposite sides of the street. Mt. Prospect has taken the initiative in ornamental street lighting on such a large scale in the northwest suburbs.

"This is only the start," says Mayor Besander. "Announcement of the state approval of automatic gates for Main street railroad crossing was made early this month. I hope to be able to receive word very soon of the approval by the state highway department for the widening of Elmhurst rd. (Main street) from route 58, south of the village, thru the municipality, north to Rand rd."

The installation of these improvements will not cost the taxpayers of Mt. Prospect a cent. Their cost comes from Mt. Prospect's share of gas tax funds. The maintenance of the lights, however, amounting to \$400 a year will be paid from corporate funds.

"We have established a goal," continued Mayor Besander, "for other towns to shoot at. It has taken us three years to get the O. K. on the lighting project, but the railroad gates and pavement widening are coming quicker."

Due to the fact that practically all streets in the town are paved and need few repairs, the gas tax money belonging to the village has been accumulating. The village board realized that it was much better to spend the money for modern improvements than to allow it to grow whiskers in the state treasury.

Arlington Heights secured its new traffic lights by a similar method. Until recently the state highway department has been rather slow in releasing gas tax funds for lighting purposes.

### Schaumburg man held to criminal court

Herman Kublank of Schaumburg township was held to the Criminal court by Judge Frank Hartman of Palatine Monday on a charge of assault with a deadly weapon.

The charge was brought by Kublank's brother, Ed.

The altercation took place over the sale of a calf.

Ed Kublank was cut on the hand by a corn knife in the hands of his brother Herman.

Herman claimed that Ed attacked him with a pitch fork and that he was cut when he grabbed for the corn knife in his (Herman's) hand.

Judge Hartman, after hearing all the evidence in the case ruled that there was sufficient evidence to hold Herman to the Criminal court.

Kublank is free on bond put up by his sister, Mrs. Emma Westrope of Palatine, pending the hearing at the November term of court.

## Farm Management Ass'n to boost farm incomes

### Corn husking contest Friday

If the weather man is willing, the postponed corn husking contest will be held on the 24th on the Senne farm on Palatine and Rohlwing roads.

Ten huskers have been entered in this contest. Again the Chicago farmer who competed last year is going to enter the contest. In this performance last year he started out far ahead of the other huskers but slowed down and for this reason did not win the contest. He writes that he is in better physical condition and expects to keep his speed up and he believes he can win, or at least make a very close race for the top place in Cook county.

The winner of this contest will be certified to the Prairie Farmer as a possible entrant in the state contest the following week near Ottawa, Illinois.

The contest will start at 11 a. m. sharp and will continue for 80 minutes. There will be lunch served on the ground. Also police protection and all things will be in readiness depending upon one fact and that is the weather. The field is a rather dry field for the most part and the corn is very good, and a good showing is expected from the huskers in Cook county.

Due to the condition of the ground, tractors are out and arrangements have been made for all sorrel teams to haul the wagons. Eight of them will be furnished by Arlington Park Jockey club. The general public is invited to attend. J. Fred Meyer, who has made some of the arrangements says that it will be a close finish and as exciting as a football game.

**CHRISTIAN SCIENCE CHURCHES**  
"Doctrine of Atonement" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 19.  
The Golden Text was, "There is one God, and the mediator between God and men, the man Christ Jesus; who gave himself a ransom for all, to be testified in due time" (I Timothy 2:5, 6).  
Among the citations which comprised the Lesson-Sermon was the following from the Bible: "For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord" (Romans 8:38, 39).  
The Lesson-Sermon also included the following passages from the "Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "We acknowledge Jesus' atonement as the evidence of divine, efficacious Love, unfolding man's unity with God through Christ Jesus the Way-shower; and we acknowledge that man is saved through Christ, through Truth, Life, and Love; as demonstrated by the Galilean Prophet in healing the sick and overcoming sin and death" (p. 497).

## American Legion auxiliary notes

The A. L. A. spent a pleasant afternoon in the home of Mrs. A. Penkave of Palatine on Tuesday afternoon.  
Last Thursday, Mrs. Wisersky and Mrs. Paul Carroll attended a Cook County Rehabilitation Conference at Hines hospital.  
On Saturday Mr. and Mrs. Paul Collins attended the Cook County Council Inaugural ball at the Hotel Morrison.  
Mrs. Carroll and Mrs. Wisersky attended the 9th District Rehabilitation Conference at Park Ridge on October 22.  
Mrs. Carl Teutsch, Mrs. A. Rector and Mrs. Walter Neubauer are on the sick list.  
Remember, November 7 and 8, the show "Bubblin' Over" sponsored by the American Legion auxiliary.

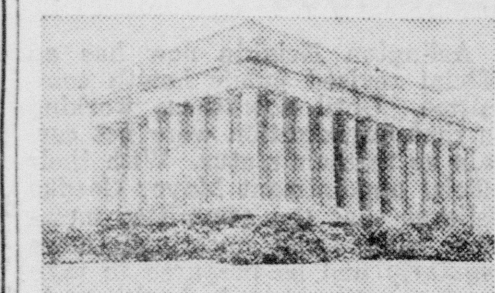

## Presenting Del Baker

Submitted by Junior Woman's Club  
His music's grand  
Sweet swing or hot  
He's got what it takes  
Believe it or not!  
"Oh, but you'll believe it. He's a pun-lenty super, and you'll enjoy every moment of dancing with Del Baker wielding the baton. A native of old Chi, he's played for many fraternities and sorority dances. And if he's good enough to have played on the radio—need I say more.  
Yes, Del Baker is the one the Arlington Heights Junior Woman's Club dug up for their winter formal, November 22, at the Itasca Country club. And right nice "diggins" too, for Del Baker and his orchestra are quite a treasure.  
We know you'll have a jewel of a time, so paint up those ruby lips, gals, and turn on those emerald green eyes—snag yourself a man, but fast.  
Float through the air from ten 'til two at the Itasca Country club, with Snappy Del Baker's music. Remember the date — Saturday, November 22.

# Health in Capsules

By C. W. Lussman of Sieburg Pharmacy  
The time is gone past when we waited for illness or low spirits to consult the doctor.  
Now people consult him in order to safeguard and protect health. They consult him when they consider taking vitamins which are bulwarks of health. Fresh and pure, so much captured sunshine, the doctor orders them to maintain exuberance, to ward off susceptibility to disease, to dispense that lassitude.  
Vitamins for the whole family, easily carried, brief and compact, containing the vital elements which modern processing of foods may have eliminated. Proceed under doctor's orders to guard your health by purchasing the vitamins he suggests from a druggist who stocks standardized makes.

### Rest Home notes

Rev. Milton J. Vondracek, the new pastor of the Methodist church, visited at the Home on Wednesday of last week.

Mr. and Mrs. Hansen drove to Great Lakes Naval Training Station on Tuesday to visit with a young cousin in training there.

Mrs. Mary Crofoot was a Sunday evening visitor at the Home.

Mr. Charles C. Shirley of Chicago, Mrs. Hansen's brother, called at the Home on Thursday night to leave a little benefit of his recent Canada fishing trip in the form of an eight pound Northern Pike. Mr. Shirley doubted that the result of the trip compensated for a head injury he sustained in stumbling over a hidden stump. The patients as well as the workers enjoyed the fish dinner.

Mrs. Josephine Bullis enjoyed a visit Sunday morning from her son and granddaughter, Mr. Nelson I. Bullis and daughter Maxine, both of Crystal Lake.

Miss Dorothy Lambert was made happy by a call Sunday afternoon from her grandmother, Mrs. Mary E. Wishart and her aunt and cousin, Mrs. Florence Fox and daughter Marilyn, all of Chicago.

Miss Helen Keller enjoyed an automobile ride Sunday afternoon with a former pupil, Mrs. T. E. Schreyer of Des Plaines. Miss Keller had tea with Mr. and Mrs. Schreyer in their home and returned to the Home in the evening reporting a delightful time.

Mrs. Charles B. Moellering of North State road, returned to her home Saturday afternoon after a stay of four weeks at the Home. It is the wish of her friends at the Home that she will continue to gain in strength.

The Home welcomes Mr. John Lacinia, of North Vail ave., who has come for care.

### Abbott & Costello at Des Plaines Sunday

The new Abbott-Costello comedy hit, "Hold That Ghost," opens at the Des Plaines Theatre on Sunday for a four-day run. Prominent in the cast of this super-shocker fun show with Bud Abbott and Lou Costello, are the Andrews Sisters, Richard Cromwell and Ted Lewis with his entertainers. The beautifully photographed Technicolor production of "The Shepherd of the Hills," completes the double feature program. John Wayne, Betty Field and Harry Carey are the leading players in the latter film.

Raw, cold melodrama is the fare on the current Des Plaines' program in "Out of the Fog," John Garfield and Ida Lupino are co-starred in this strange, forceful dramatic love story. "Adventure in Washington" with Herbert Marshall and Virginia Bruce is also now being shown at the Des Plaines Theatre.

### State police Ass'n auxiliary news

by Beatrice Hartneck

Due to the absence of our president, Mrs. Chas. Woods, who was in Washington, D. C., Mrs. Austin Vickery, 1st vice president, conducted the meeting of the Illinois Police Association Auxiliary who met at Hayes, Thursday afternoon, Oct. 9, at 1 p. m.

Committees were appointed as follows: Charlady of Ways and Means committee, Mrs. Clifford Libby; Chairlady of Sick committee, Mrs. K. F. Hartneck; and Publicity chairlady, Beatrice Hartneck.

The ladies also discussed plans for running monthly card parties, which will be open to the public, in an effort to swell the treasury. Plans have already been started for the first of this series which will be held at the home of our president, Mrs. Woods, of Elmwood Park, late in November.

The main topic of discussion,

however, was the convention to be held at the Morrison hotel November 5 and 6. Plans are progressing rapidly and tickets are now on sale and may be had from any police officer or member of the Illinois Police Association or Auxiliary.

Watch for further details on this convention, because all who attend are sure to have a grand time. There will be door prizes galore—dancing to the music of Al Marney's orchestra, and a WGN floor show to fill the gaps between dances.

The Association and Auxiliary hope to make this the largest and most successful convention yet.

### Rudolph Kranz, Jr. wed at St. Peters

In a small private wedding, witnessed by the immediate families of the bride and groom, Rudolph Kranz, Jr., son of Mr. and Mrs. Rudolph Kranz of 402 West Euclid, was married on Saturday, October 18 to Miss Margaret McAvoy of Chicago.

The marriage was solemnized at 8 p. m. in the St. Peter's Lutheran church with Rev. Fricke officiating.

Mr. and Mrs. Alfred Garlich of Elk Grove were the attendants for the young couple.

Rudolph was home for a fifteen day furlough from the army, and has now returned to Camp Forrest, where he is stationed. The bride will make her home in the city until her husband's term of service is completed.

### Handwriting expert to attend Friendly circle bazaar

Mr. Bristow of Chicago, a handwriting analyzer will conduct a handwriting booth at the Friendly Circle Bazaar, which will be held Thursday and Friday of this week in the St. John's Evangelical church, and will read the handwriting of all interested guests.

The bazaar will open each evening at 6 p. m. when special supper will be served and guests may purchase short orders at the refreshment booth. Hot chili will be the special supper for Thursday evening, and baked beans and brown bread will be the Friday evening special.

Mrs. Walter Duenn, general chairman and her committee have been working hard to make this annual bazaar better than ever, and many new features and booths have been added this year.

Two very fine door prizes will be awarded, a wool filled tafeta comforter and a cut work table cloth. Admission to the bazaar is ten cents and children under 12 will be admitted free.

### Stated meeting of Eastern Star

The local O. E. S. Chapter will hold a stated meeting on Thursday evening, October 23, in the Presbyterian hall at 7:30 p. m. There will be initiation.

### Evelyn Bestman, Edwin Bartz are married

Miss Evelyn Bestman, daughter of Mr. and Mrs. August Bestman of Palatine rd., became the bride of Mr. Edwin Bartz, son of Mr. and Mrs. Herman Bartz of Skokie on Saturday afternoon, October 18, at 3:30 p. m. in the Bestman home.

Rev. Fechner of West Northfield church performed the ceremony before the fireplace which was banked with baskets of chrysanthemums for the wedding.

Evelyn chose for her wedding a gown of white figured satin, fashioned along princess lines with a long train. Her fingertip veil was held in place with a wreath of orange blossoms, and she carried white roses and stephanotis, in a shower bouquet.

Mrs. Henry Knosp of Mt. Prospect served as matron of honor and was gown in pink silk jersey, and carried pink chrysanthemums. The bridesmaids were Misses Lillian and Adele Bartz of Skokie, sisters of the groom. Lillian wore a gown of blue satin and carried yellow chrysanthemums, and Adele was gown in green satin and carried bronze chrysanthemums. They were matching wreaths in their hair.

Mr. William Boeldt of Chicago served as best man for the groom, and the ushers were August Kroeger of Arlington Heights, and Roy Tagmeier of Des Plaines.

Miss Eunice Eich played Lohengrin's wedding march for the bride, and Miss Lois Bokelman sang "Because" preceding the service.

Following congratulations at the home, a wedding dinner was served to the bride party and immediate families at Esther's Coffee Shop in Des Plaines, and in the evening a wedding reception was held for three hundred guests in Eagle hall in Des Plaines, where dancing and refreshments were enjoyed.

The mother of the bride wore for the wedding a gown of beige wool, velvet trimmed. Her flowers were red roses. The groom's mother was gown in blue crepe, bead trimmed, and her corsage was of red roses.

Evelyn attended the local high school, and the groom is a graduate of the Skokie high school.

The young couple are at home for the present at 4915 Bellplaine ave. in Chicago. The groom farms with his father in Skokie.

Two more pre-nuptial parties were given the bride last week, when Miss Ann Bierman of Des Plaines entertained 35 guests at a miscellaneous shower on Tuesday evening, and Mrs. Roy Wille, Mrs. Henry Knosp and Mrs. Wm. Boeldt gave a china shower at the Wille home in Mt. Prospect on Wednesday evening.

### Room mothers tea

The Room Mothers of the Parent-Teacher association will be guests at a tea on Thursday afternoon in the North side school, when Mrs. James Sommer, president of the P.T.A. will explain the duties of their office to them. Those serving as room mothers this year are:

Mrs. Kenneth Oden and Mrs. Clair Engel will preside over the tea table.

## Woman's club to sponsor benefit card party for scholarship fund

### Prenuptial parties for Hilda Stoeckel

Miss Hilda Stoeckel was guest of honor at two bridal showers recently. Miss Esther Grant and Miss Eleanor Albrecht gave a miscellaneous shower honoring the bride-to-be in the home of Mrs. Richard Runge, with thirty friends and relatives of Miss Stoeckel, the guests.

A rice filled sprinkling can was the decoration used over the shower of gifts which the bride-to-be received.

The evening was enjoyed at bunco, and the hostesses served a midnight buffet supper from a table decorated with pink and blue streamers.

Another shower honoring the bride to be was given in Des Plaines by Miss Mildred Lutz.

Miss Stoeckel will become the bride of Mr. Leonard Rateike of Mt. Prospect on Saturday, October 25, in the St. Peter's Lutheran church.

A benefit card party will be given by the Arlington Heights Woman's club on Wednesday afternoon, Nov. 12 in the field house, with dessert served at 1:30.

The party is under the sponsorship of the education committee of the local club, and the proceeds will go to the scholarship loan fund of the club.

This scholarship fund was started in 1937 by the local club for the benefit of local young people attending college. Each year since that time, a benefit has been given by the education committee of the Woman's club, to augment this fund.

Tickets for the affair are now on sale at 50c each, and may be purchased from any club member. There will be several door prizes and a prize for each table.

The committee in charge is Mrs. Walter Schimmel, general chairman, Mrs. Charles Close and Mrs. Ira Parker. For information call Mrs. Charles Close, the hostess chairman.

Mrs. D. B. Donges entertained her club for dessert and bridge on Wednesday afternoon.

## CAN YOU ANSWER THESE 3 IMPORTANT HOUSEHOLD QUESTIONS?

### Question 1

How can you use hard fuel during cold weather, yet have automatic heat during the changeable Fall and Spring days?

### Answer

Install the new automatic gas detachable Fall-Spring house-heater.

### Question 2

How can you get rid of the nuisance of building fires and shutting down during changeable weather?

### Answer

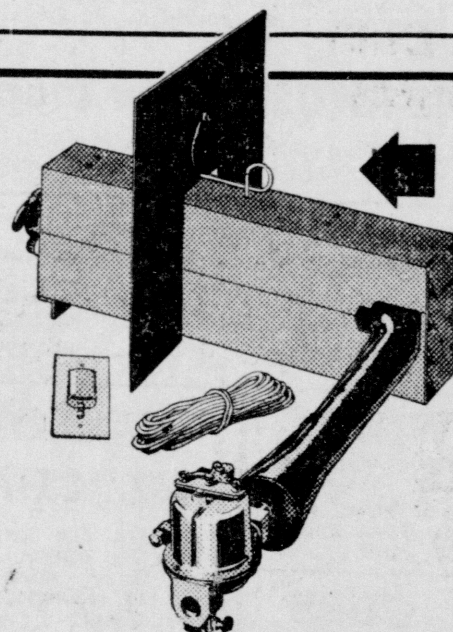

Let the new automatic Fall-Spring gas house-heater do the work.

### Question 3

When your house is too warm one day and too cold the next, how can you get uniform heat without changing your furnace or hot water boiler?

### Answer

The Fall-Spring gas burner is controlled by a thermostat to give uniform heat. Your heating plant is not altered in any way to accommodate the burner.

HERE'S WHAT THE BURNER LOOKS LIKE . . .

Ready to be placed in your furnace like this

And this is all you have to do to keep your house at a comfortable temperature . . . set the thermostat. The heater operates only when heat is needed . . . shuts off when the weather warms up. When steady cold sets in you can quickly remove the gas burner and fire your furnace or hot water boiler with solid fuel.

Grace Turk was elected president of the group with Irene Hauff elected to serve as secretary. A special afternoon followed the business meeting with Myrtle Frey receiving the attendance prize.

### Attend reception

Several members from the local O. E. S. Chapter attended the reception for Estelle Gielow, Associate Grand Matron of the Grand Chapter of Illinois, which was held in the Rogers Park Masonic Temple on Monday evening.

Those who attended from the village were Mrs. F. Averill, Mr. and Mrs. M. Frey, Mrs. Alfred Jasper, Mrs. E. Luckner and Miss M. Frey.

Mrs. M. Frey was a member of the escort for Mrs. Gielow, and the group all enjoyed this very beautiful and lovely tribute to Mrs. Gielow.

## CAMP FIRE GIRLS

The Shutanka which the Camp Fire Girls had planned for Saturday had to be "indefinitely postponed" because of the weather. One interesting feature of the day was to have been a "christening ceremony" in which each group was to be given the Indian name by which it is to be called from now on. The Torch Bearers who are working for their rank in social leadership are to be called Pasipika (Leader). Those who are working on the Torch Bearers' rank in Nature Craft are called Chanyeta. The Fire Makers are Soangetaha (strong heart). The Wood Gatherers from the North school are Chesk chamay, (All Friends) and those from the South school, Okizu (united). The Trail Seekers from the St. James school are Netoppew (friends) and those from the public school are Okiciyapi, (helping each other).

Okiciyapi was entertained at a Halloween tea last Thursday by Joan Burpee who made the cocoa and sandwiches and the place cards herself. Netoppew visited the National Tea Store last Tuesday to find out the prices of ten "energy building foods" which they could cook over a camp fire. They were with Mrs. H. E. Johnson who with Mrs. Edward Haisler will have charge of this group from now on.

Chanyeta took advantage of the fine fall weather and hiked out into the fields. They found 13 kinds of wild flowers still in bloom and gathered bouquets of leaves for their mothers, besides collecting materials for the interesting "tree" project which they are working on.

Soangetaha spent Saturday at Deer Grove. This was one of a series of outdoor expeditions which they have planned for each Saturday as long as the weather is good.

Meyer Brothers Dairy was host to Okizu last Saturday morning. Mr. Meyer showed them how milk was pasteurized, bottled and separated and explained some of the reasons why the price of milk has risen. Then he capped the climax by serving to each young "student of dairying" a bottle of chocolate milk.

On Tuesday evening at the North school Pasipika had the first of a series of lessons in square dancing conducted by Mrs. Zook of Hinsdale. Sixteen girls danced "The Little Man in a Fix" and other "play party" dances.

New members who have been added to advanced groups are ready to take their first ranks and a committee of awards will give the Trail Seekers examination to them on Nov. 8. Several more new members have joined in the last week and guardians report that enthusiasm is running high in all seven groups. So a little rain has not dampened Camp Fire Girls' spirits in the least.

Mrs. Donald Costain entertained her club for dessert and cards on Thursday afternoon. Mrs. Marion Grigsby and Mrs. Neal Graham won high scores for the afternoon.

Susan Margo Pfingsten, baby daughter of Mr. and Mrs. John Pfingsten of South Vail Ave., was christened in the Pfingsten home on Thursday evening, last week, with Rev. Fricke officiating. The baby was born on August 29. Mr. Henry Bloss and Mrs. Carl Klehm were sponsors for the baby.

Mrs. Harold Witt of Sherwood is entertaining a group of twelve at a one o'clock luncheon and bridge party on Friday afternoon.

## Cubs enjoy 'Our Gang'; 15 apply for membership

An "Our Gang" comedy was enjoyed and applauded by more than seventy boys of Cub Pack 232 at the Pack meeting last Friday. This was the regular meeting and was opened with a game period conducted by Sea Scout Dale Anderson, who is assistant cubmaster.

Five Cubs received awards as follows: Henri Bouffard, James Fricke and Norman Ashcraft—Wolf; John Fellingham—Bear; and Wilbert Hartmann—Lion and Gold Arrow.

About fifteen new applications were received. These new boys will be assigned to dens as soon as arrangements can be made with Den Dads in their neighborhood. The Cubs who have joined so far this season were initiated with the exciting ceremony led by Paul Ransdell as Akela, Jerry Milligan as Baloo and Bob Cubley, as Bagheera. A dozen picked Cubs represented the Wolf Pack, and they howled like real wolves.

Ten or fifteen Cubs paraded before the others to show their braided headresses. It is a Pack project to make these leather headbands before the November Pack meeting. At that time, the Cubs who are registered and have already passed their bobcat tests, will receive five colored feathers to start their Indian headdress. There after, each achievement earns another feather.

Announcement was made of the Halloween party to be held October 31 at the home of Mr. C. L. Stadler, 1002 W. Campbell. Cubs should bring hot dog buns, and be there at 6:00 o'clock. All other articles of food, usually eaten on Halloween, will be furnished by the Pack. Cubs can wear costumes or dress in plain clothes. There will be games and stories told around a camp fire.

Dale Anderson knows of several Cub uniforms that are for sale. Call him at 703 for information. The regular meeting of the Den Dads will be held on Wednesday, November 5.

Mr. and Mrs. Irving Rinker were hosts to their bridge club for dinner and cards on Saturday evening. Mrs. Paul Collins was high for the evening.

Mrs. Farrell of Los Angeles, Cal., arrived Thursday evening to spend some time with the Adam Sledz and John Farrell families of the village.

## Ruth McNeeley becomes bride of Arthur Wolf

Miss Ruth McNeeley, daughter of Mr. and Mrs. Wm. McNeeley of Des Moines, Iowa, and Mr. Arthur Wolf, son of Mr. and Mrs. John Wolf, of Arlington Heights, were united in marriage on Saturday, October 18, at 4:00 p. m. in the St. Peter's Ev. Lutheran church with Rev. Fricke officiating and Mr. H. C. Landeck at the organ.

Miss McNeeley wore for her wedding, a gown of white velvet with a fingertip veil. She carried a shower bouquet of white pom-poms.

The groom's sister, Miss Bernice Wolf, was maid of honor. She wore a gown of rose bengaline taffeta and carried a bouquet of bronze and pink pom-poms and wore a pink blusher.

The bridesmaids were Miss Dolores Bernard, niece of the bride, and Miss Ruth and Esther Wolf, sisters of the groom. Their gowns, made like that of the maid of honor, were of peacock blue bengaline taffeta. They carried bronze and pink pom-poms and wore pink blushers. John Wolf, brother of the groom, was best man. George Boze, Kermit Hinz and Kenneth Koelling were the groomsmen.

Miss Mary Ann Eihler sang,

"Take Thou My Hands and Lead Me," and at the conclusion of the ceremony she sang "The Blessing." A wedding dinner was served to the immediate family at the groom's home. Later the reception was held at the District school on Palatine rd., and was attended by 125.

Mrs. Wm. Young, Mrs. James Clayton, and Mrs. Mildred Scoles, sisters of the bride and Mrs. James Coe, aunt of the bride, came from Des Moines, Iowa, for the wedding.

Hartmann's Shoes	5 16 814

On alleys 1 & 2 Lauterburg & Oehlert won 2 games from Gaare's Studebakers. Ray Dieball struck out in the 10th frame to win the last game by three pins. Ray also led his team with a 583 series and a 225 game which won him the \$1.00. Carl Huber was high for Gaare's with 582.

On 3 & 4 Arlington Elevators took 2 games from Hamm's Beers. Doolie Winkelman led the coal heavers with a 501 series. Doolie also won the \$1.00 on a 200 game. Just "Pete" was high for Hamm's with 538.

On 5 & 6 Vail Tavern won all three games from Hartmann's Shoes. Hartmann's broke the low score record by getting a 2279

series and tied the low game score with 724. There are no prizes for that boys! Irv Kehe led the Vail Tavern attack with a nice 610 series and Irv also won the \$1.00 on a 223 game. W. L. Hartmann led his team with 519. "Ozzie" Nelson was shooting for individual "booby" prize but couldn't quite make it. He was 9 pins short. "Ozzie" had a 386 series while Harvey Barber has the record, a 377 series. Well "Ozzie" you got that out of your system, now let's see you bowl.

## Thursday NEWS

Knaack's Buick Motor Sales	W. L.
Pepper Construction Co.	10 8
Esquire Service Station	9 9
Webber Paint Co.	7 7
Sieburg Drug Co.	9 9
Eddie's Castle Bar	6 12

The excitement ran high through this particular evening with President Esquire Service Station, to the leaders, Knaack's Buick Motor Sales team in an attempt to "knock them out for three games," had to be satisfied with one game on alleys 3 and 4. This two game victory of the Knaack's Buick boys kept their 3-game league lead in spite of a shut-out by the Pepper Construction Co. to their opponents.

On 1 and 2 Eddie's Castle Bar men dropped three games to the green-shirted Pepper Construction Co. boys who built themselves a second-place berth in the league standings.

On the famous 5 and 6 the Sieburg Drug Co. team for two games to climb out of the cellar position in the league. The drug-gists prescription seemed to be a bad "pill" for the Painters to swallow in that they have been applying the whitewash to so many of their opponents of late.

Some sidelights on the evening activities were the stellar bowling of O. E. Schwartz of the Knaack's team who took the individual high series, without handicap for the season so far, with 575 adding 117 handicap points to total 692 for the weekly high series to net an extra \$1.00. "Nemo" Young of the Esquire team had a "beer frame" foul-strike ball which counted no score, after the smoke of the discussion-battle cleared as to whether or not it was considered to be the "first ball rolled." Jim Sommer of the Sieburg team did the same thing two frames later, but the seven pins that subsequently fell.

Warren Fellingham of the Pepper team is fighting hard weekly to give someone the cellar position among the regulars which he has held so steadily thus far in the season. Keep the effort on the "cup and up." Warren, you almost made it time. Don't know what President Haisler is going to do now that there are no more 75 handicap men to take the place of absentees on his team. Unger, the last remaining 75-man just graduated to the fine handicap of 70. Among the regulars everyone is out of the 70's and mostly all are out of the 80's in the handicap list. Keep trying, men, we'll make 'em notice our scores, yet.

TUESDAY NIGHT GIRLS

## O'Hagan, Marquette half back, to play against Duquesne

Marquette university's football team, making its second and last floodlight attack of the season, will entertain a high-powered Duquesne university eleven of Pittsburgh, Pa., in the Marquette stadium in Milwaukee, Saturday night.

The kickoff is scheduled for 8 o'clock and tickets will be on sale at the stadium gates.

Certain of seeing action for Marquette against Duquesne and in the homecoming game with Mississippi in Milwaukee, Saturday afternoon, Nov. 1, is Bob O'Hagan of Arlington Heights. Young Bob, the son of Mr. and Mrs. Charles O'Hagan, 600 E. Fairview, is scintillating as a right halfback at Marquette and is direct understudy to Johnny Goodyear, senior veteran from La Grange. Bob scored the Hilltoppers' first touchdown of the season—against Wisconsin.

Fans, in Duquesne, will be watching one of the east's strongest football teams. The Dukes, who are now coached by Steve Sinko, formerly of Chisholm, Minn., have won 19 games, tied one and lost one in their last 21 starts, and they invade Milwaukee with a record of nine consecutive victories.

Equal portions of tomatoes and pineapple juices, chilled almost to the freezing point, make a refreshing opener for a luncheon, dinner or supper.

The Great Lakes are the Superior, Michigan, Huron, Erie and Ontario, with the Superior being the longest, 350 miles long.

# OBITUARIES

## Maria Garms

Maria Bertha Elizabeth Garms, nee Stein, was born in Wartekow near Colberg, Germany, June 12, 1870.

June 26, 1870, she was received into membership of the Evangelical Lutheran church through the right of Christian baptism, and later (May 14, 1883), confirmed her faith in Christ through confirmation.

Accompanying her parents, she came to Arlington Heights July 4, 1883. She was united in marriage to Wm. Garms on Feb. 1, 1890. To this happy union were born four daughters and two sons.

Mrs. Garms was a charter member of this St. John's Evangelical church and was a faithful member of the Martha Society which sang her favorite song at her request.

After an illness of several weeks Mrs. Garms passed away at the home of her daughter, Friday morning, having attained the age of 71 years, 4 months and 5 days. Her husband preceded her in death Sept. 25, 1931. She is survived by two sons, William and Irvin of Arlington Heights; four daughters, Mrs. Mamie Kuecker, Mrs. Selma Glade of Palatine, Mrs. Anna Mollenkamp of Woodstock, Mrs. Laura Kurtz of Arlington Heights, two brothers, Otto Stein and August Stein of Arlington Heights, fourteen grandchildren and three great grandchildren.

Funeral services were held from Lauterburg and Oehler funeral home at 2 o'clock and from St. John's Evangelical church, Arlington Heights, at 2:30 p. m., Sunday afternoon. Interment at St. John's Evangelical cemetery.

Henry Jonas, Sr., 1433 Whitcomb, Des Plaines, died Monday night at his home. Services are being held this Thursday from the Lauterburg and Oehler Des Plaines chapel, Rev. George Goebel officiating. Interment at Ridgewood.

Mr. Jonas was born in Germany April 15, 1886. He is survived by his wife, Ida, two sons, Henry, Jr., and William F., and three daughters, Mrs. Ethel Hahn, Frances and Ruth.

Mrs. James Lokey

Funeral services for Mrs. Anna Lokey, wife of James Lokey, of 922 Algonquin road, Des Plaines, who died last week Wednesday in a Chicago hospital, were held Saturday at the Lauterburg and Oehler Des Plaines chapel. Burial was in Ridgewood cemetery.

Mrs. Lokey was born Anna Jensen in July, 1906, in Manganese, Michigan. She was married to Mr. Lokey on February 27, 1924.

Surviving besides her husband and parents, Hans and Emma Jensen of the Algonquin road address are two daughters, Marian and Shirley Ann.

# Arlington grid squad loses to high-powered Warren, 21-0

by G. A. McELROY

The Legislative commission of the Illinois High School Association has approved of five amendments which will be put to a vote of the principals attending the state meeting at Champaign on November 7. Of these five propositions there is only one that does not meet with our approval.

## Would eliminate spring football

Three fine propositions have to do with football. They are to eliminate spring football throughout the state, allow fall practice to start August 25 instead of the present September 1 date, and to require all teams to practice three weeks before playing their first game. Spring football without question interferes with boys competing in track and baseball. The other football changes would help a lot in eliminating injuries thru a better conditioning period before opening the season's competition.

## Favor Home Rule for Chicago

A fourth proposition would allow the Chicago schools to run their own affairs except that they would abide by the state rules when playing schools outside the metropolitan area. A minimum membership fee of \$5.00 would be paid by Chicago schools. This is a city approval. Last year a few of the Chicago schools joined the state association. None of them entered the state series of basketball tournaments and no more than 20 per cent entered outside track competition.

## We Oppose 19 Year Age Rule

The amendment that we feel is unjust is the proposal to bar 19 year old boys from competing in high school athletics. The plan if passed by a two thirds vote of the principals would go into effect next September 1. According to the proposed rule an athlete could finish the football season if he became 19 after the middle of the season. He could complete the basketball schedule if he became over age after February 1. If he became 19 between February 1 and May 1 he could compete until May 1. If he became 19 after May 1 he could complete the year in sports.

## Start School Later Than Formerly

There are several reasons for our disapproval of this rule. The chief one is that under the present six year age requirement for grade school entrance, should a boy be retarded through illness, transfer from one school to another, or for other reasons he would likely be 19 before the completion of his senior year. Many children start school at 8 1/2 years and would be retarded out if retarded a single semester. Let's Get More Boys in Athletics

One of the points of emphasis in the defense program is to get more boys into sports rather than restricting the number. The interest in sports helps to keep over age boys in school and encourages them to complete their high school education. If declared ineligible many would drop out. It used to be a practice in some places to encourage good prospects to stay out a couple of years so that they would be more mature in their final year of high school. We do not believe that such methods are very common and that a rule is needed to curtail the practice.

## Foreign Boys at Disadvantage

In some foreign sections boys have to learn the English language after starting to school and so are retarded and over age by the time they reach high school. We do not think it is the democratic way to eliminate from school activities boys who have struggled to get an education and have been retarded slightly due to circumstances over which they have no control. On the other hand, of course, there is the argument that few boys graduate at 19 and most schools would not be effected. It is just this fact that may bring about the passage of the rule as too many principals will vote for it because they have no 19 year old athletes and their opponents might have some. Personally we do not believe that boys of 17 and 18 are at any great disadvantage competing occasionally against a 19 year old and that is one of the main arguments of those who advocate the measure.

## Star Is Lost For Season

George Sterbenz, without question one of the outstanding backs in the outer suburban area, has been lost to the Antioch team for the remaining games due to an operation for appendicitis. He was

## Libertyville drops game to Crystal Lake

Libertyville's fighting Wildcats lost another close one at Crystal Lake 9-6 in a driving rain last Friday night. The breaks are not with the Cats this year and they have lost three games but have never been outguffed. Friday they were off to a 6-2 lead on a 75 yard touchdown by Gossell, but the Lakers came back in the final period to score on a pass from Tipps to Higgins followed by an end run from the one yard line at the last.

It was the safety which Crystal Lake scored early in the game which decided the issue. Molitor, playing his first game at center in a last minute shift due to injuries, passed the ball too high to Piche for a punt from the end zone and the Lakers tackled the Libertyville lad behind the line for two points.

## Lake Forest wins over Woodstock, 13-0

by HANK VERBEKE

Two brilliant touchdowns runs by halfback Eddie Cook gave Lake Forest high school its third straight Northeast conference football victory Saturday at Lake Forest when the Scots gained a 13 to 0 decision over Woodstock. Cook scored the first touchdown on a 16 yard cut back play four minutes after the opening whistle and came back to gallop 70 yards on practically the same type of play midway in the second quarter.

Outside of Cook's runs, both of which were aided by brilliant blocking most of the action took place in the middle of the field where both clubs had difficulty gaining because of the treacherous footing afforded by a rain drenched gridiron.

out of the Zion game which Antioch lost and the tie game with Barrington last Saturday. It was a bad blow to a team that was really going places in its second year of football.

Barrington and Antioch Favored  
Since Saturday's tie game it appears that Antioch and Barrington will also likely tie for the conference title. Antioch must defeat the Vikings Saturday to do it. The Vikings were 6-0 victors over Grant in the Northbrook homecoming Saturday. Barrington must beat Grant and Northbrook to land on top and we think they can do it.

Leaders Meet in Remaining Games  
The Northeast leaders meet each other on the two remaining week-ends of the season. It's Lake Forest at Warren and Leyden at Crystal Lake this coming Friday. None of the four have lost more than one game. The next Saturday the card shows Crystal Lake at Warren and Lake Forest at Leyden. Meanwhile the second division teams take on each other with improved hopes of getting into the win column.

We Like Warren  
Our picks for this week are Warren to nip Lake Forest in a very tough ball game, Crystal Lake to take Leyden by a close score, Arlington to get their first victory at the expense of Woodstock and Niles to edge out Libertyville, a very strong defensive club. In the event that these picks come out as anticipated the following week would find Warren host to Crystal Lake in the battle for the championship.

Larson Ineligible  
Lake Forest's star six foot three center, Larson, has been declared ineligible for basketball this coming season. A check up on his credits revealed that he is in his ninth semester. This is a blow to the cage chances of the Scots as they had lost several of their best prospects by transfer to other high schools.

# Palatine cross-country squad wins two more; Proviso next

## Maine falls easily to Pirates, 35-20

Palatine increased their string of victories over west suburban cross country teams Thursday when they outran Maine township by a score of 20-35. The score and places won by Palatine was an exact duplication of last week's meet with York. It was Palatine's sixth victory in seven meets this season.

Maine township has won the West Suburban Conference cross country championship for all eight years that the league has had the sport and last spring won the state track title. By defeating Maine, York, Riverside, and Downers Grove of the West Suburban League Palatine has about proved to be the class of the western suburbs in this sport.

Thursday Langhoff took first place as expected in 10:18.5 minutes and Anderson, also of Palatine, nosed out Doc of Maine for second place in 10:50. Timmerhaus was fourth, Field took sixth, Vogt was seventh, Hooson was 11th, Gones took 14th, and Goodwin 15th. All the Palatine boys made better time than last week against York.

The list of place winners follows:

1. Langhoff (Pal.) 10:18.5.
2. Anderson (Pal.) 10:50.
3. Dotts (Maine).
4. Timmerhaus (Pal.) 10:58.
5. Larson (Maine).
6. Field (Pal.) 11:06.
7. Vogt (Pal.) 11:10.
8. Plinn (Maine).
9. Schroeeder (Maine).
10. Schroeder (Maine).
11. Woonson (Pal.) 11:19.

## Four teams have chance to win N.E. race

### Warren favorite to cop title

The remaining two weeks of action in the Northeast Conference find the first division teams playing each other without exception and any one of the four leaders has a chance of landing on top. Meanwhile the second division clubs battle each other in the hope of improving their rating.

Niles Can Get Fourth Place  
Only Niles of the lower four teams has won a game and the Trojans have broken even in four tilts. Should Niles beat Libertyville and Woodstock in remaining games they would have a good chance to cop the fourth spot in the standings or even a tie for third.

The way they played at Leyden indicates that Isaacson's young team has hit its stride and will finish with two more victories. Lake Forest Not Out of Running

Warren is the odds on favorite to win the title but has a tough path remaining on their schedule. Kelton's scrappy Blue Devils can take the title of course by beating both Lake Forest and Crystal Lake. They could also win by losing to Lake Forest and beating Crystal Lake, providing Leyden beat Lake Forest. Otherwise the season would end with Warren and Lake Forest tied for the lead with but one defeat. Lake Forest can get at least a tie by winning their remaining games if Crystal Lake loses one, and could get an undisputed championship only if Warren also lost to Crystal Lake and the latter lost to Leyden. The standings in that event would be as follows:

	W	L	T
Lake Forest	5	1	0
Crystal Lake	5	1	0
Warren	4	2	0
Leyden	4	2	1

Hampered by Tie Scores  
The chances of Crystal Lake and Leyden are hampered by tie games. If Crystal Lake lost to Leyden and then beat Warren their standing would be as above with either Lake Forest or Warren pretty certain to finish head of them. Of course if Lake Forest beat Warren and then lost to Leyden it would be pretty rosy for the Lakers providing they could beat Warren.

Leyden's Chances Are Slim  
With three victories, a loss and a tie the chances of Leyden are pretty slim. Their only hope would be to win remaining games with Crystal Lake and Lake Forest and then have both those teams whip Warren, a rather remote possibility. If that should happen the standings would be as follows:

	W	L	T
Leyden	4	1	1
Crystal Lake	4	1	1
Warren	4	2	0
Lake Forest	4	2	0

Lake Forest  
As it stands the only teams that can be certain of taking the title by winning their remaining games are Warren and Crystal Lake. If the teams play according to the form of the past few weeks the final standings are most likely to be as follows:

	W	L	T
Warren	6	0	0
Crystal Lake	4	1	1
Lake Forest	4	2	0
Niles	4	2	0
Leyden	4	2	1
Libertyville	1	4	1
Arlington	1	4	1
Woodstock	0	6	0

Warren Does Not Meet Leyden  
If every team met all the others

## Seven firsts

James Langhoff, Palatine distance running star, rates as the best cross country runner in the suburban area this year. He has taken first place by a big margin in all of the seven meets in which Palatine has beaten suburban teams. Langhoff will lead his team in the Proviso Invitational Cross country meet at Maywood Friday and is the leading contender for first place individual honors. Palatine is expected to give Proviso plenty of opposition in their attempt to retain the title won last year.

the championship picture might be changed. Warren does not meet Leyden and Lake Forest does not clash with Crystal Lake. That is a break for Warren and Crystal Lake the way things stand at present. In the lower bracket Niles does not meet Arlington, a good break for the Cardinals, and Libertyville does not get a crack at Woodstock which is a tough break for Bergstrom's Wildcats.

## Langhoff leads team over Evanston

Evanston was the seventh suburban school to fall before the Palatine cross country team in a meet at the big school Monday. Palatine triumphed by a score of 22-33. The Pirates have not been defeated in suburban competition this season. Their only loss was by the Chicago champion Lane Tech team. Palatine has outrun Evanston, Maine, York, Riverside, Downers Grove, Arlington, and Niles.

Monday Langhoff came in first again by his usual 220 yard margin with his teammate, Clarence Anderson, taking second. Freshman Clarence Vogt was fifth, Timmerhaus took sixth, Hooson was eighth, and Goodwin 12th for the Pirates. Field was absent or the victory margin would have been greater. The run was at one and three quarters miles and the winning time was 9:40 minutes.

Friday Palatine is entered in Proviso high school's big invitational cross country meet at Maywood. At least eight schools will compete for what amounts to the championship of the whole suburban area.

## Niles outplays Leyden high, 20-7

Niles outplayed Leyden for three quarters and took a 20-7 victory at Franklin Park Saturday. The Trojans from Niles held a 7-0 lead at the half which was much more one sided than the score would indicate for several good scoring opportunities were thrown away. They did come back and score twice in the third period for a 20-0 lead.

In the last quarter Leyden had the edge and actually ran over for three touchdowns but only one counted. On one such play Leyden intercepted a pass to score, but it was ruled as interference. Another time a score was made when Leyden was off side. Reeves scored the lone Leyden touchdown. Niles presented the best running, tackling, and blocking team that Leyden had played this season according to reports from the losers.

The Niles lightweights won the preliminary game 15-6, after Leyden had taken a 1-0 lead at the half.

## Northbrook wins homecoming game from Grant, 6-0

Northbrook celebrated homecoming by taking their first conference game at the expense of Grant 6-0. The winning touchdown came in the third quarter on a 60 yard run by Winton Brewer. The Vikings had the edge on Grant in line play and in forward passing. Q. Strauss in the line at end and Klein and Jim Brown in the backfield were the Northbrook standouts. Northbrook celebrated with a high school alumni dance in the gym Saturday.

# Lack of drive gives victors fifth win

## Meet Woodstock this Saturday

by G. A. McELROY

A spirited Warren team celebrated its homecoming Saturday by defeating a heavier but less alert Arlington eleven 21-0. The Cardinals did not show the dash and drive exhibited in their Crystal Lake game, and though they just about matched the Blue Devils in first downs were really never a threat. Arlington penetrated Warren territory but twice and never got inside the 30 yard stripe. It was Warren's fifth straight victory.

It was just too much Marlen Wirth. The little Warren halfback collected better than 80 yards from scrimmage including runs of 20 and 16, and completed three passes in six attempts for 64 yards.

Warren marched to their first touchdown at the very beginning of the game. Starting on their own 32 yard line the Blue Devils completed a 19 yard pass, had an

18 yard run by Wirth and scored on Wirth's 20 yard pass to Doyle. Zelenko place kicked the first of his three conversions. Warren scored again in the second period on a steady march from mid-field with Wirth scoring from the four yard line.

Arlington held their own as the second half changed into a punting duel. In fact the Cards picked up considerable yardage with Coleman doing a good job of line smashing but most of the gains were deep in their own end of the field. The one time that Arlington appeared to be really on the march an intercepted pass stopped them.

Warren's last touchdown was a gift. An Arlington substitute fullback evidently did not know the signals and the centers pass rolled past him back to the three yard line where Warren recovered. With a team of small reserves handling all but the fullback position Warren's Zelenko plunged over on the second play which was just under way as the game ended.

The field was a quagmire from the start, but Arlington seemed handicapped more than the light Warren players. Arlington's backs showed little drive and the line did not perform as well as in the early games. Warren was more alert and handled the wet ball remarkably well. The punting of Moriel and Millay was the brightest spot in Arlington's playing. Arlington was the fifth straight opponent that Warren has shut out this season.

# Red Birds, Wheaton tie; both show brilliant goal line stands

If football ties were settled by possession of the lead in minutes then the Arlington Heights Red Birds independent gridders would have been adjudged the winner of last Sunday's 6 to 6 deadlock with the Wheaton Giants. For forty-six minutes of the hard but cleanly fought skirmish the locals led 6 to 0 by virtue of Bill Langhorst's spectacular catch of a touchdown pass early in the game. In the final period the Giants, still cognizant of the fact that a 20-7 early season defeat by the Birds was hanging over their heads, put on a great drive to knot the score. With but two minutes to play Fullback Hayden went over for Wheaton's necessary six points.

For the second consecutive Sunday ideal football weather prevailed with the result that another large crowd of about four hundred was in the stands and along the sidelines. The crowd, in an appreciative mood, was quick to applaud the numerous sensational runs and fine line play. Mel Grossi, Grossi and Augie Mayer-ek registered several long jaunts for the locals. Group awards to both lines for their valiant stands within the 10-yard stripes.

Business Manager Ralph Duthorn announces another home tilt for this Sunday Evanston Monarch colored team. The management is most desirous of booking only worthy opposition. The Red Birds prefer a defeat or a tie against a strong team to an easy romp over a set-up. Kick-off: 2:15, Central Standard time.
